

701—502.25(422) Exclusion of income from sale, rental or furnishing of tangible personal property or services directly related to production of film, television, or video projects.

502.25(1) *Projects registered on or after January 1, 2007, but before July 1, 2009.* For tax years beginning on or after January 1, 2007, a taxpayer that is an Iowa-based business may exclude, to the extent included in federal taxable income, income received from the sale, rental or furnishing of tangible personal property or services directly related to the production of film, television, or video projects that are registered with the film office of the Iowa department of economic development.

Income which can be excluded on the Iowa return must meet the criteria of a qualified expenditure for purposes of the film qualified expenditure tax credit as set forth in rule 701—501.34(15,422). An Iowa-based business is a business whose commercial domicile as defined in Iowa Code section 422.32(3) is in Iowa.

However, if a taxpayer claims this income tax exclusion, the same taxpayer cannot also claim the film qualified expenditure tax credit as described in rule 701—501.34(15,422). In addition, any taxpayer who claims this income tax exclusion cannot have an equity interest in a business which received a film qualified expenditure tax credit. Finally, any taxpayer who claims this income tax exclusion cannot participate in the management of the business which received the film qualified expenditure tax credit.

EXAMPLE: A production company which registers with the film office for a project is a corporation which is domiciled in Iowa. If this same corporation receives income that is a qualified expenditure for purposes of the film qualified expenditure tax credit, the corporation cannot exclude this income on the Iowa corporation income tax return because the corporation has claimed the film qualified expenditure tax credit.

502.25(2) *Projects registered on or after July 1, 2009.* For tax years beginning on or after July 1, 2009, a taxpayer that is an Iowa-based business may exclude no more than 25 percent of the income received from the sale, rental or furnishing of tangible personal property or services directly related to the production of film, television, or video projects that are registered with the film office of the Iowa department of economic development in the year in which the qualified expenditure occurred. A reduction of 25 percent of the income is allowed to be excluded for the three subsequent tax years.

EXAMPLE: An Iowa taxpayer received \$10,000 in income in the 2010 tax year related to qualified film expenditures for a project registered on February 1, 2010. The \$10,000 was reported as income on taxpayer's 2010 federal tax return. Taxpayer may exclude \$2,500 of income on the Iowa corporation income tax return for each of the tax years 2010-2013.

502.25(3) *Repeal of exclusion.* The exclusion of income from the sale, rental or furnishing of tangible personal property or services directly related to production of film, television or video projects is repealed for tax years beginning on or after January 1, 2012. However, the exclusion is still available if the contract or agreement related to a film project was entered into on or before May 25, 2012. Assuming the same facts as those in the example in subrule 502.25(2), the taxpayer may continue to exclude \$2,500 of income on the Iowa corporation income tax return for the 2012 and 2013 tax years since the contract or agreement was entered into on or before May 25, 2012.

This rule is intended to implement 2012 Iowa Acts, House File 2337, sections 38 to 40, and Iowa Code section 422.35 as amended by 2012 Iowa Acts, House File 2337, section 35.
